## Career Objective

---

I am a self-motivated and passionate engineering student seeking an opportunity to contribute to your esteemed organization. With my problem-solving skills, I am dedicated to enhancing the organization's success while also advancing my own skill set. I am eager to collaborate with a dynamic team and leverage my abilities to drive impactful results.

## Education

---

**Rajalakshmi Institute Of Technology**, B.E Computer Science engineering Sept 2021 – May 2025

- Percentage: 78.9

**C E O A matric.Hr.Sec.School**, HSC Sept 2020 – May 2021

- Location :Madurai Sept 2018 – May 2019

**V.V.S.M National Academy Matric.Hr.Sec.School**, SSLC

- Location :Ramanthapuram

## Skill

---

- HTML and CSS
- Basics of Java Script Programming
- Python for problem-solving, from automating tasks to simplifying workflows
- Foundational knowledge of Java for object-oriented programming
- Understanding of SQL for handling databases
- Data Structures in C for Problem-Solving
- Fundamentals of Cloud Concept

## Achievements

---

Participation	Description
<ul style="list-style-type: none"><li>• Completed a CodSoft internship, creating a landing page, calculator, and portfolio using HTML, CSS, and JavaScript.</li></ul>	<ul style="list-style-type: none"><li>• Developed web projects, including a landing page, calculator, and portfolio, during a CodSoft internship using HTML, CSS, and JavaScript</li></ul>
<ul style="list-style-type: none"><li>• Participated in a two-day workshop on AI with Machine Learning conducted by Ethical Edufabrica Pvt. Ltd. in collaboration with E-Cell at IIT Hyderabad</li></ul>	<ul style="list-style-type: none"><li>• Engaged in a comprehensive two-day workshop on AI with Machine Learning, gaining foundational knowledge and practical insights into core concepts and applications.</li></ul>

---

---

## Certification

---

- Completed the 'Python for Machine Learning' course from Great Learning Academy
  - Completed CodSoft internship, developing a landing page, calculator, and portfolio using HTML, CSS, and JavaScript
  - Completed the 'Microsoft Azure Fundamentals (AZ-900)' course offered on LinkedIn
  - Certificate of Participation in AI with Machine Learning Workshop by Ethical Edufabrica Pvt. Ltd. & E-Cell at IIT Hyderabad
- 

## Project

### Python

#### 1)Jarvis app(speech to text and text to speech recognition)

tool used :Visual Studio Code

#### 2)Voice assistance(speech to text recognition)

tool used :Visual Studio Code

### Web Development

#### 1) Developed web projects, including a landing page, calculator, and portfolio, during a CodSoft internship using HTML, CSS, and JavaScript

tool used :Visual Studio Code

#### 2) Developed 'Bookskey,' a book management application using HTML, CSS, and JavaScript for organizing personal reading collections

tool used :Visual Studio Code
